

Flipside Series

Designed for Digital

Flipside 200

OVERVIEW

The compact, lightweight design of the Flipside backpack lets you carry your pro digital SLR or DSLR without worry. The unique back compartment entry gives you safe, easy access to camera gear when you're setting up plus extra security when you're on the move. The outer storage pocket keeps digital accessories and personal items close at hand.

Adventurer

FEATURES

- Back Entry Compartment
- Outer Storage Panels
- Hideaway Tripod Holder
- Removable Accessory Pouch
- Detachable Waist Belt and Adjustable Sternum Strap
- Mesh Side Pocket
- SlipLock™ Accessory Loops
- Tough, Water Resistant Outer Fabric

BENEFITS

- Provides easy access to equipment as well as extra security when pack is being worn
- Centralizes digital accessories and personal gear for handy access
- Carries a compact tripod or monopod when you need it and is easily concealed when you don't.
- Allows you to take cables, chargers, manuals and other key accessories with you when you need them or easily leave them behind when you don't
- Helps to stabilize pack, distribute weight evenly and ensure carrying comfort when you need it
- Keeps a water bottle or other personal items readily accessible
- Expand carrying capability via SlipLock compatible pouches
- Protects against moisture and abrasion
