Stealth Reporter D650 AW Shown

OVERVIEW

Created for digital news photographers and photojournalists, the Stealth Reporter AW Digital Series are designed to withstand the elements of the field. Don't let the sleek lines and soft, cushy exterior fool you – there's plenty of protection here. Considering the workflow of today's digital photojournalist we added plenty of features to make life as a photographer as easy as possible. After all, the last thing you need to worry about is your camera equipment.
