

CompuDaypack

(Slate Gray Shown)

Designed for Digital

SLATE GRAY	BLACK
BURNT ORANGE	BLACK
LEAF GREEN	BLACK

OVERVIEW

Perfect for around campus or around town, the CompuDaypack is designed for photographers who need a lightweight yet spacious backpack. Its triple compartment design neatly manages the key components of your digital photography experience. The CompuDaypack combines a feature-rich inside with the urban-styled exterior for one truly unique backpack.

FEATURES

- Unique triple compartment design
- Padded notebook computer compartment
- Padded camera compartment with adjustable dividers
- Top accessory compartment
- Audio player pocket
- Headphone port
- Contoured, shoulder harness with DryFlo™
- SlipLock™ attachment loops
- See-through laminated-mesh pockets

BENEFITS

- Protects computer equipment, camera gear and holds personal accessories
- Protects computer against sudden impacts
- Protects a camera body and lenses from impact
- Provides quick, organized access to personal and digital accessories
- Provides quick access and LCD screen protection for iPod or similar sized audio players
- Provides both headphone cord management and audio player protection while in use
- Provides ergonomic comfort and support with breathable back and shoulder pads
- Add pouches or other SlipLock™ compatible products to customize
- Easily locate accessories without opening a pocket
